EDUCATION

Rutgers Business School, Rutgers University

Bachelor of Science in Finance | GPA: 3.42/4.00 | Expected May 2027

Relevant Coursework: Corporate Finance, Financial Management, Managerial Accounting

RELEVANT FINANCE EXPERIENCE

PGIM - Public and Private Credit Job Simulation | Forage | Sep 2026

- Completed practical work in public fixed income, portfolio analysis, private credit deal triage, and client advisory, strengthening credit analysis and investment evaluation skills.
- Applied financial-analysis concepts to evaluate company and transaction information and communicate conclusions in a structured business context.

EXPERIENCE

Station Operations Specialist | GOFO INC. | Sep 2026 - Present

- Coordinate daily station operations across package intake, sorting, staging, and dispatch, supporting efficient workflow and on-time shipment movement.
- Monitor package flow and investigate operational exceptions, helping resolve delays, misroutes, and handling issues through cross-functional communication.
- Maintain accurate operational records and organize time-sensitive priorities while coordinating with drivers and station team members in a fast-paced environment.

Co-Founder & Team Lead | Blood Cancer United - Dare to Dream | Dec 2025 - Present

- Co-founded and lead a student-run fundraising initiative, developing outreach strategy, coordinating partnerships, and managing execution across community stakeholders.
- Created the 'Every Dollar Donated Equals One Push-Up' campaign and helped raise \$858 while establishing a partnership with the Rutgers Bodybuilding Club to expand participation and visibility.
- Represent the organization in professional written communications with external partners, including Cai's Cafe, Oh Sugar Cookie, and Prep Coffee.

Server | Cowboy Japanese BBQ & Sushi | Mar 2025 - Jun 2026

- Managed multiple customer priorities simultaneously in a high-volume environment while communicating clearly, resolving issues, and maintaining service accuracy.
- Performed closing procedures involving equipment, lighting, and gas systems, supporting operational safety and cost control.

Busser | Hot Space | Sep 2020 - May 2024

- Coordinated with kitchen and front-of-house teams during high-volume service periods to maintain efficient workflow, accuracy, and timely customer service.
